

Amazon, Google, IKEA, Schneider Electric and More Join Silicon Labs' 'Works With 2021'

September 2, 2021 11:00 AM EDT

-- Keynote speakers discuss interoperability, security and future of IoT in industries, cities and smart home --

AUSTIN, Texas, Sept. 2, 2021 /PRNewswire/ -- [Silicon Labs](#) (NASDAQ: SLAB), a leader in secure, intelligent wireless technology for a more connected world, today announced that [Amazon](#), [Google](#), [IKEA](#), [Schneider Electric](#), [Konke](#), [Landis + Gyr](#), [Lifesmart](#), [Tencent Cloud](#) and [Tuya](#) will be delivering keynotes at [Works With 2021](#), the defining Internet of Things (IoT) conference livestreaming for free to thousands of engineers, developers and technologists worldwide on September 14-15.

A promotional graphic for the 'Works With 2021' virtual conference. It features the 'works with BY SILICON LABS VIRTUAL CONFERENCE' logo at the top left. Below it is the headline 'Your One Connection to All Things IoT' in blue text. A circular inset image shows a woman interacting with a smart home device. At the bottom, a row of logos for the keynote speakers is displayed: Ring, Amazon, City of Austin, Google, IKEA, Konke, Landis + Gyr, LifeSmart, Schneider Electric, Tencent Cloud, Tuya, and another logo.

"I'm genuinely excited about the Works With lineup," said Stacey Higginbotham, founder of [Stacey On IoT](#). "The event has a 'who's who' of smart home speakers including speakers from Amazon, Google and Tuya. This year, I'm excited to see how the show tackles new topics such as smart cities and medical devices. The IoT is going to affect every industry, and Silicon Labs has put on an event that reflects the breadth of the IoT in ways few other shows do."

Google, Amazon and Schneider Electric will join Silicon Labs President [Matt Johnson](#) to kick off the conference on Sept. 14 from 9 a.m. to 10 a.m. CT. The companies will share insight into the new [Matter](#) protocol's significance in simplifying product development while increasing product compatibility for consumers and its place within smart home and commercial roadmaps. Landis + Gyr, Google-X – the moonshot factory and City of Austin will deliver [their keynotes](#) on smart city technologies at 9:55 a.m. CT on Sept. 15. IKEA will join Silicon Labs CEO [Tyson Tuttle](#) for the closing remarks of Works With on Sept. 15 from 3 p.m. to 3:30 p.m. CT.

Keynote speakers include:

- [Mike Harris](#), chief operating officer of [Amazon's Ring](#), which provides smart security solutions for every home
- [Michele Chambers Turner](#), senior director, [Google Smart Home Ecosystem](#), which creates products that help keep homes comfortable, connected and secure
- [Sitao MA](#), vice president and chief technology officer of connected living, [Schneider Electric](#), a global leader in the digital transformation of energy management and automation
- [Ulf Axelsson](#), IoT architect, [IKEA](#), whose "[Home Smart](#)" smart home line provides products and solutions beyond conventional home furnishing
- [John Romero](#), vice president of industry solutions, [Landis + Gyr](#), a global advanced metering solutions provider helping the world manage energy better
- [Raiford Smith](#), electric and gas utilities and technology senior executive at [Google-X](#), [the moonshot factory](#), who develop radical new technologies to help solve the world's hardest problems
- [Mayor Steve Adler](#) and [City Manager Spencer Cronk](#), [City of Austin](#)
- [Konke](#), [Lifesmart](#), [Tencent Cloud](#), and [Tuya](#) will deliver opening keynotes for the APAC Region's Works With sessions, which will be hosted on Sept. 15 from 9 a.m. to 1 p.m. China

Standard Time (CST) and Sept. 16 from 9 a.m. to 12 p.m. CST. More details on APAC sessions, the press conference and speakers can be found [here](#).

"Fostering and expanding conversations within the IoT ecosystem, creating a space for collaboration and facilitating dialogue between industry leaders, partners and alliances is at our core" said Megan Lueders, CMO, Silicon Labs. "Only in its second year, Works With is attracting thousands of product developers, engineers, designers and executives all committed to innovation and the acceleration of connectivity to improve industries and lives."

Press Conference Registration

Media interested in attending the Works With 2021 U.S./EMEA press conference on Tuesday, Sept. 14 at 11 a.m. CT are encouraged to register [here](#).

About Works With

Works With is your one connection to all things IoT. The annual conference gathers the biggest names in the industry, including IoT decision-makers and device developers, to share and receive practical training and educational sessions. Attendees leave with actionable insights to build, deploy and interconnect the latest smart home, smart city and industrial IoT (IIoT) technologies to accelerate market launch. Works With 2021 is held virtually and free of charge. This year's agenda can be found [here](#).
