Mr. Sadana is the executive vice president, chief strategy officer and general manager of Enterprise Solutions at SanDisk, a global leader in flash storage solutions. Prior to joining SanDisk in April 2010, Mr. Sadana was the president of Sunrise Capital LLC, a technology and financial consulting firm, from 2008 to 2010. Mr. Sadana also served as senior vice president of strategy and business development at Freescale Semiconductor from 2004 to 2008, as well as Freescale's chief technology officer from 2006 to 2007.

Mr. Sadana began his technology career at IBM Corporation where he held an array of hardware design, software development, operations, strategic planning, business development and general management roles during his 13-year tenure, culminating in the role of vice president of IBM's Electronic Design Technology Solutions business.

"Mr. Sadana is a strong addition to our board of directors," said Tyson Tuttle, CEO of Silicon Labs. "We welcome his combination of technical, business development and strategy roles at bellwether technology companies and believe his leadership experience will serve us well as we continue to focus on growth opportunities in the IoT."

Mr. Sadana holds a Bachelor of Technology degree in Electrical Engineering from the Indian Institute of Technology (IIT) in Kharagpur, India, and a Master of Science degree in Electrical Engineering from Stanford University.

Silicon Labs

Silicon Labs (NASDAQ: SLAB) is a leading provider of silicon, software and system solutions for the Internet of Things, Internet infrastructure, industrial automation, consumer and automotive markets. We solve the electronics industry's toughest problems, providing customers with significant advantages in performance, energy savings, connectivity and design simplicity. Backed by our world-class engineering teams with unsurpassed software and mixed-signal design expertise, Silicon Labs empowers developers with the tools and technologies they need to advance quickly and easily from initial idea to final product. www.silabs.com
