### **Item 3.02 Unregistered Sales of Equity Securities.**

On March 22, 2023, Silicon Laboratories Inc. (the “Company”) issued a notice of redemption to the holders of its outstanding 0.625% Convertible Senior Notes due 2025 (the “Notes”), pursuant to which it would redeem all of the outstanding Notes for cash at a redemption price of 100% of the principal amount of the Notes, plus accrued and unpaid interest, if any (the “Redemption”). The Redemption was scheduled to occur on June 20, 2023, unless earlier converted. Prior to the consummation of the Redemption, the holders of the Notes were entitled to convert such Notes into shares of the Company’s common stock at a rate of 8.1980 shares per \$1,000 principal amount of Notes, which is equivalent to a conversion price of \$121.98 per share. Such conversion right expired on June 16, 2023 (the “Conversion Deadline”). Holders who converted prior to the Conversion Deadline were also entitled to an additional 0.4101 shares per \$1,000 principal amount of Notes pursuant to Section 14.03 of the Indenture governing the Notes, dated June 1, 2020 (the “Indenture”).

On or prior to the Conversion Deadline, the Company received conversion notices from the holders of 99.74% of the Notes representing \$533.6 million outstanding principal amount thereof (the “Conversions”). In satisfaction of the conversion notices, the Company paid \$533.6 million in cash and issued 919,897 shares of common stock to the holders of the Notes, as well as \$47 thousand in lieu of fractional shares, in accordance with the terms of the indenture governing the Notes. Notes representing \$1.4 million outstanding principal amount were redeemed at par, plus accrued interest. Upon the Company’s settlement of the Conversions and Redemption, all of the Notes ceased to be outstanding and the entire principal amount of the Notes was deemed paid in full, interest ceased to accrue and all accrued and unpaid interest on the Notes was deemed paid in full, and all rights of holders of the Notes terminated. The Company relied upon the exemption from registration provided by Section 3(a)(9) of the Securities Act of 1933, as amended, and upon similar exemptions under applicable state laws, in connection with the Conversions.
